# MULTI IRON

Bartoli Design / xxxx

segls

**Multi-Iron: Modular system of fixed seating on a beam,** with or without arms. Elliptical -shaped powder coated steel beam (mm100x50) available in 3 lengths.

**Polypropylene seats,** available in different colours (On request fire retardant version - Class 2 - is available.), and tabletops of high quality fiberboard covered with scratch-resistant laminate are able to be attached to the support beam with the use of die-cast fastening elements. The high resistance steel beam and the steel plate underneath the seat are powder coated in aluminum 68, is available on request and at an additional cost. It is recommended that each beam be supported by two sets of leg supports arranged in a diagonal pattern.
